

Don't Be Held Captive by Your Hand Soap Program!

The Smart Choice is...

Lite'n Foamy®

Hand, Hair & Body Wash

Sustainability & Economy

Stop taking cash to the trash. Spartan's bulk-fill, foam soap system is more economical than cartridge or box systems because you are not buying a dispenser each and every time you purchase hand soap. Stop throwing money away and put it back where it belongs, in your pocket!

Refill
Reuse
Recycle

For every **30,280** hand washes, it takes **40** Bags in a Box to equal **1** case (4 gallons) of Lite'n Foamy

* This product meets the Green Seal® environmental standard for industrial and institutional hand cleaners based on its reduced human and aquatic toxicity and reduced smog production potential.
